

### That the Power of Money

in making more money is the secret of getting rich is generally admitted.

The average so-called "savings deposit" is only \$100—yet this \$100 represents 6 per cent. in a year. As the most of these accounts were started with a deposit of one to ten dollars and gradually increased to their present size, doesn't it seem that you **YOU** can do fully as well as others? Make up your mind to **DO IT**—then it's merely a case of application. Your earnings are as large, or larger, than those of the average depositor referred to, only—you haven't been banking your money.

Come in and let us tell you some other reasons why you should have a bank account.

**MEETING AT HOBGOOD.**—Rev. Raymond Browning will assist Rev. R. D. Daniel in a protracted meeting in the Methodist church at Hobgood, beginning Friday, September 11th. The hours of service will be 3:30 and 7:30 p. m.

**GOOD ROAD.**—The public road from Smith's Mill to Cotten's store is in the best condition we remember ever to have seen it. We do not know when it was worked nor who superintended the work, but the road which generally at almost any and all times of the year has been in more or less bad condition is now hard and quite free from mudholes.

#### Schools Opened Monday.

The graded schools opened Monday, with all the teachers in place.

Superintendent Wilson said Monday afternoon that it was the largest opening the school has ever had and that the work was starting off very well.

#### Losses Overestimated.

It is thought now that the first estimates of the losses by the Roanoke flood in this community, were too high. There seems not so much loss to the corn crop, although all ears of corn that were covered by the water are spoiled. The damage to the cotton crop is uncertain, but the damage to the peanut crop is not as heavy as at first supposed.

#### Monument Unveiling.

The monument to the confederate soldiers and sailors of the counties of Northampton and Halifax will be unveiled at Weldon Thursday, Sept. 17, 1908. The procession will form at 1:30 p. m. Chief marshal will be Maj. R. T. Daniel. Monument will be unveiled by Miss Esther Ransom. Orator of the day Col. R. E. Lee, Jr., of Virginia. There will be presentation and acceptance addresses. Music by band from Richmond, Va. Chapters of Daughters of the Confederacy, Camps of Confederate Veterans, and the public are generally are cordially invited to be present. JUNIUS DANIEL, Chapter, United Daughters of the Confederacy.

#### Appropriated \$150.

The county commissioners Monday appropriated \$150 for the Halifax and Northampton county Confederate monument, which will be unveiled in Weldon September 17th.

Colonel W. H. S. Burgwyn, of Weldon, presented to the board of commissioners a petition from the United Daughters of the Confederacy at Weldon, asking for a small appropriation. Colonel Burgwyn made a strong plea for the appropriation, stating that Northampton county has given \$150 to the monument.

The commissioners were asked for an appropriation some three years ago, but owing to the financial condition of the county then they did not make the appropriation; but the county being now about out of debt they did not hesitate to make the appropriation Monday.

#### Death of Mr. J. J. Daniel.

Mr. J. J. Daniel died at his home in Weldon Monday, September 7th, aged about 52 years. He was a son of the late Judge W. A. Daniel, of Weldon, and was well and widely known in the county. His remains were interred Tuesday in the old family burying ground known as Poplar Grove near Rosemary.

Mr. Daniel had been in ill health for several months. He was taken to a hospital in Richmond where he was treated for some time without improvement.

Some weeks ago he was brought back to Weldon where he gradually grew worse until death. He had been manager for Maj. T. L. Emory's mercantile business for many years and was an efficient business man and had a host of friends throughout the county. For quite a while he did business in the town of Halifax where his friends were numerous.

His death will be regretted by people all through the county and by his many friends outside the county. He was a true friend and stood ready always to oblige those who needed assistance, and his courtesy to all with whom he came in contact was always marked.

Great sympathy goes out to those affected by his death.

#### Floods in Harnett.

The editor of THE COMMONWEALTH spent a part of last week in Harnett county, and made some observations there of the disasters from the recent floods. The Cape Fear river was higher than it has ever been known by any person in that county and the destruction was the greatest ever known there.

All the crops along the river were completely destroyed and there was also considerable destruction along the creeks. The two steel bridges across the Cape Fear at Lillington and Duke were broken by the freshet and the people now have to cross the river at those points in the old time ferry flat. The expense to the county in the loss of these bridges is very great, and bridges over creeks at various other points will be rebuilt at much cost.

The damage done to the Raleigh and Southport railroad through the county was very heavy. All schedules on the road were suspended for many days and there was another great flood south of Raleigh Saturday which caused high water in all the creeks, covering the railroad track in several places. The work train coming into Raleigh Saturday night at 10 o'clock plowed through the flooded streams in many places where the water was running over the track, and at one point President Mills said the water was up to the train steps.

The farm lands in all that region of the State have been badly washed and the damage has been so great and varied that there is no way of properly estimating it.

We saw the following gentlemen on our streets Monday, from Weldon, Messrs. W. T. Shaw, D. E. Stainback, B. E. Pope, Col. W. H. S. Burgwyn, and Mrs. W. E. Daniel; from Scotland Neck, Messrs. Sydney Dunn, Frank Shields, Chas. Shields, E. E. Hillard, C. W. Dunn and Mr. White; from Enfield, Messrs. J. C. Branch, Dr. Collins, Frank Phippen, Ed. Whitehead; from Littleton, Messrs. W. R. Harvey, S. T. Thorne, Jr., Mack M. Furgerson; J. H. Norman, of Brinkleyville.

Rev. A. G. Wilcox, that faithful man of God who loves nothing better than to preach the word, filled his appointment here Sunday morning and night, and at the county home Sunday afternoon. Brother Wilcox has been preaching at the county home for quite a number of years practically alone. Why is it that some of the numerous ministers all around us can't go out there and make preaching appointments, dividing up the 2nd, 3rd, 4th and 5th Sundays? They have absolutely no preaching on those days.
